The Dilemma

- How do we know that it is organic?
- How do customers and end users know that it is organic?
- Are your dyes environmentally friendly?
- Do you use sweatshops?
- Can you show me the certification?
- Is it Fair Trade?

econscious ...going beyond the fiber

GLOBAL ORGANIC TEXTILE STANDARD (GOTS) SUPPLY CHAIN

GOTS is the most comprehensive international standard for Organic textile processing and manufacturing. GOTS goes beyond certifying that fiber that went into our goods was grown in accordance with Organic agricultural practices, it ensures that the entire manufacturing process adheres to a strict set of globally accepted standards.
